

Charlotte Valentin Fugl

European Patent Attorney

Charlotte works with national, European and international patent prosecution within the fields of software, mechanical engineering, medical devices, construction technology and process technology. Charlotte works with a variety of patent-related issues such as drafting and prosecution of patent applications, pre-studies and opposition cases.

Prior experience

Prior to Charlotte's employment at AWA, she served a one-year internship at the Trade Commission of Denmark in Atlanta doing market research and dealing with the implications of starting up a company in the US. Charlotte has also worked with sales in Germany.
